

**THE CORPORATION OF THE MUNICIPALITY OF BAYHAM
NOTICE OF PASSING OF THE UPDATED
ELGINCENTIVES COMMUNITY IMPROVEMENT PLAN (BY-LAW 2026-037)**

TAKE NOTICE that the Council of the Corporation of the Municipality of Bayham passed By-law 2026-037 on June 4, 2026, under the authority of Section 28 of the *Planning Act, R.S.O. 1990, c. P.13, as amended*, to adopt the updated Elgincentives Community Improvement Plan for the Municipality of Bayham.

In considering its decision on By-law 2026-037, Council took into consideration all written and oral comments received on the proposed Community Improvement Plan, as well as all advice and background information provided by the Elgin County project team. No changes to the Plan as proposed were made as a result.

PURPOSE AND EFFECT

A Community Improvement Plan (CIP) is an economic development tool used by municipalities to guide strategic investment, development, and revitalization initiatives that support the physical improvement of a municipality or areas within a municipality. This is accomplished through a combination of financial incentives and municipal-led projects. The current Elgincentives CIP was adopted in 2015 and has supported a range of improvement projects for over a decade through its incentive programming.

The County undertook a review and update of the Plan in 2025 and 2026 to ensure it responds to recent provincial policy changes, new trends in economic development, and shifts in community priorities. An updated CIP has been prepared and adopted, which includes the following highlights:

- *a refreshed vision and goals to better guide the CIP's implementation and priorities;*
- *restructured incentive programs to improve clarity and effectiveness, including all-new incentive programs targeting affordable housing;*
- *the introduction of several "Municipal Leadership Initiatives" that outline potential Council-led improvements related to streetscape improvements, inventorying public land and brownfields, supporting additional dwelling units (ADUs) and supporting climate resiliency improvements.*

The entire Municipality of Bayham is designated a Community Improvement Project Area (CIPA) under By-law 2026-036. The updated Plan will continue to apply to all lands in the Municipality. A copy of By-law 2026-037 adopting the CIP is attached. The CIP can be viewed at:
