Recycling Blue Box Collection

Circular Materials is responsible for residential curbside recycling collection through a **NEW** contract with Miller Waste Systems. For any recycling service inquiries, please contact Miller Waste Systems directly at 1-855-752-3762.

NOTE – *There are no changes to the recycling program, other than the recycling service provider.*

- All recyclables should be set out to the curb by no later than 7:00 a.m. on the morning of your collection day.
- Recyclables will be collected the same day as household garbage, as per the schedule on the front of this flyer.
- Recyclables must be separated into “2 streams”- glass/plastics separated from paper/cardboard.

Household Garbage Collection

See NEW Changes to the 2026 Garbage Bag Tag Program in the 2026 Waste Management Program Letter

The Municipality of Bayham is responsible for curbside garbage collection through a contract with Norfolk Disposal.

- Garbage includes: All kitchen and table waste, of animal or vegetable origin, resulting from the preparation or consumption of food
- Any garbage as a result of day-to-day living, excluding recyclables and hazardous waste

Garbage Collection Requirements

- All bags are to be tagged with a Bayham Garbage Bag Tag affixed, so that it is clearly visible for pickup and placed at the curb by 7:00 a.m., on the morning of your collection day.
- Regular household garbage will be collected as per the schedule on the front of this flyer.
- Garbage must be placed in a container, or securely tied plastic bag, having a capacity of not more than .08 cubic metres (2.75 cubic feet), and composed of material not less than 1.4 mil gauge.
- Garbage containers must have a total weight, when full, of not more than 18 kilograms (40 pounds).
- Any number of bags/containers may be placed curbside each week.
- Do not wrap tag around the neck of the bag, but affix flat so that the **whole** tag is visible. (No partial tags will be accepted)
- If using a container, garbage must not be loose and must have a Bayham Garbage Bag Tag affixed to the top item inside the container visible for pickup. **Note** - Do not affix the tag to the container/lid.
- For the 2026 program, landowners are supplied with **52** tags for each eligible residential unit and **86** tags for each eligible commercial unit. Additional tags may be purchased at a cost of \$2.50 per tag at the Municipal Office, or other various locations throughout Bayham. Agricultural properties are able to obtain an additional **16** tags for 2026 upon verification of the farm tax class at the Municipal office.

2026 Urban Area Leaf and Yard Waste Pickup

For 2026 leaf and yard waste will be collected curbside within the following urban areas:

Calton • Corinth • Eden • Port Burwell • Richmond • Straffordville • Vienna

The 2026 Urban Leaf and Yard Waste collection will be carried out on **Mondays** over a four (4) week period in both the Spring and Fall of 2026 on the following dates:

Spring Program – Monday, April 27, May 4, 11 and *Tuesday, May 19, 2026 (*no pickup Monday, May 18)

Fall Program – Monday, October 19, 26 and November 2, 9, 2026

Ensure your leaf/yard waste is placed at the curbside by **7:00 a.m. on Monday of each week**, unless otherwise specified. Each of the above areas receives a minimum of one pickup per week. Pickup will not necessarily occur on your regular waste collection day. All leaf/yard waste must be placed in paper bags, open reusable containers, or bundled in lengths not exceeding 1.2 metres (4 feet). All individual containers must weigh less than 18 kilograms (40 pounds). For more details throughout the year, visit our garbage & recycling page on our website.
