Recycling Blue Box Collection

Circular Materials Ontario is responsible through a contract with Norfolk Disposal for residential curbside recycling collection. For any recycling service inquiries please contact Norfolk Disposal directly at 1-800-616-0347.

- All recyclables should be set out to the curb by no later than 7 a.m. the morning of your collection day.
- Recyclables will be collected the same day as household garbage, as per the schedule on the front of this flyer.
- Recyclables must be separated into “2 streams”- glass/plastics separated from paper/cardboard.

Household Garbage Collection

The Municipality of Bayham is responsible through a contract with Norfolk Disposal for curbside garbage collection.

- Garbage includes: All kitchen and table waste, of animal or vegetable origin, resulting from the preparation or consumption of food
- Any garbage as a result of day-to-day living, excluding recyclables and hazardous wastes

Garbage Collection Requirements

- All bags are to be tagged with a current year tag and placed at the curb by 7:00 a.m. the morning of your collection day.
- Regular Household Garbage will be collected as per the schedule on the front of this flyer.
- Garbage must be placed in a container or securely tied plastic bag having a capacity of not more than .08 cubic metres (2.75 cubic feet), and composed of material not less than 1.4 mil gauge.
- Garbage containers must have a total weight, when full, of not more than 18 kilograms (40 pounds).
- Any number of bags/containers may be placed curbside each week. Each bag must have a current year Bayham garbage tag affixed so that it is clearly visible for pickup. Do not wrap tag around the neck of the bag, but affix flat so that the **whole** tag is visible. (No partial tags will be accepted)
- If using a container, garbage must not be loose and must have a current year Bayham garbage tag affixed to the top item inside the container visible for pickup. Do not affix the tag to the container/lid.
- For the 2025 program, landowners are being supplied 52 tags for each eligible residential unit and 86 tags for each eligible commercial unit. Additional tags may be purchased at a cost of \$2.00 per tag. Agricultural properties – those with a valid farming business registration number – are able to obtain an additional **16** tags for 2025 upon verification of the farm tax class at the municipal office.

2025 Urban Area Leaf and Yard Waste Pickup

For 2025 leaf and yard waste will be collected curbside within the following urban areas:

Calton • Corinth • Eden • Port Burwell • Richmond • Straffordville • Vienna

The 2025 Urban Leaf and Yard Waste collection will be carried out on Mondays over a four (4) week period in both the spring and fall 2025 on the following dates:

Spring Program – Monday, April 28, May 5, 12 and Tuesday, May 20, 2025 (no pickup Monday, May 19)

Fall Program – Monday, October 20, 27 and November 3, 10, 2025

Ensure your leaf/yard waste is placed at the curbside by **7:00 am on Monday of each week**. Each of the above areas receives a minimum of one pickup per week. Pickup will not necessarily occur on your regular waste collection day. All leaf/yard waste must be placed in paper bags, open reusable containers, or bundled in lengths not exceeding 1.2 metres (4 feet). All individual containers must weigh less than 18 kilograms (40 pounds). See website: <https://www.bayham.on.ca/municipal-office/garbage-recycling/> for details throughout the year.

Curbside Bulk Item Pick-Up

The program will be offered during the following months in 2025 – April, May, July, September and October.

Registration required through the online form, with a fee payable to the Municipality of Bayham by cash or debit at the office, or by e-transfer to payments@bayham.on.ca with your name and address in the subject line.

See the municipal website for more details on the types of items that can be picked up:

<https://www.bayham.on.ca/municipal-office/garbage-recycling/>
